DETERCLEANER

MULTI-PURPOSE, pH NEUTRAL DETERGENT FOR FLOORS AND SURFACES

Description:	Benefits: Multi-purpose Easy to use Non-Acidic Non-Alkaline Scented perfume				Where to apply: Polished marbles, granites, natural stone and pavers Terracotta Agglomerates Ceramic	
	DETERCLEANER is a ph neutral cleaner for the daily cleaning of all marble, granite, hard floor and worktop surfaces. Product cleans effectively all cleanable surfaces, without leaving surfaces patinas or residues. DETERCLEANER is easy to use, biodegradable, non-corrosive and leaves surfaces fresh and scented. Effective cleaning action due to a formulation containing quaternary ammonium salts for rapid removal of light surface dust and grime. Ideal for every-day use. Will not break down or damage previous applied waxes or coatings on floors.					
How to use:	Always test first before proceeding with complete product application so to determine product compatibility and final result on material. Protect and cover all surroundings and metallic fixings using PVC sheeting and tape. Wear suitable PPE equipment during product use (gloves, eye protection and clothing). Do not apply where temperatures are below 10°C					
	Floors: Dilute product as indicated here below in a bucket of warm water. Proceed to clean surface using a standard wet mop system. Mop evenly to remove all surface dirt, grime and dust. No rinse required. Allow to dry.					
	Worktops: Dilute product as indicated and apply to surface by spraying product direct on surface. Allow a few minutes before wiping off with clean cloth.					
Dilutions:	Polished marbles, granites and natural stones: 1 part with 40 parts of water		Textured, honed stone: 1 part with 20 parts of water		Terracotta: 1 part with 40 parts of water	Tiles and ceramics: 1 part with 20 parts of water
Safety and technical data:	Before using this product, please read completely product label, TDS and SDS, available from your local dealer or contacting GCHEM. Keep package closed and stored in a cool place. Keep out of the reach of children. Always supply adequate ventilation when using product indoors and do not eat or drink during product use.					
			<div>Hazard labelling pursuant to EC regulation 1272/2008 (CLP) and subsequent amendments and supplements. Hazard pictograms.
