

# MULTIPOWER 3n1

**MULTI-PURPOSE, DEEP CLEANER ,  
DEGREASER , STRIPPER ALL IN ONE**

Description :	<div>Benefits:</div> <div>Multi-purpose 3n1 solution Non-Acidic Non-Flammable Low odour</div> <div>Where to apply:</div> <div>Textured marbles, granites, natural stone and pavers Terracotta Agglomerates Concrete</div> <p>MULTIPOWER 3n1 is a multi- purpose alkaline based cleaner specific for various cleaning operations such as deep cleaning, degreasing and stripping of previous water based or metallic waxes and coatings. Effective on deep dirt and grime, removes rubber residues caused by tires and shoe scuffs from hard surfaces, stone, ceramic, terracotta and concrete surfaces.</p>		
How to use:	<p>Always test first before proceeding with complete product application so to determine product compatibility and final result on material. Protect and cover all surroundings and metallic fixings using PVC sheeting and tape. Wear suitable PPE equipment during product use (gloves, eye protection and clothing). Do not apply where temperatures are below 10°C. Product used pure may be aggressive to sensitive materials.</p> <p>Deep cleaning: Proceed to apply a solution (1:20 with water) of product to the area to be cleaned using a low-pressure spray or applicator. Leave product in contact with surface for 4/5 minutes before scrubbing surface manually or using a mono brush with a felt pad or soft bristle pad until all residues are dissolved. Remove residues using a wet vacuum and rinse with clean water.</p> <p>Stripping: Dilute product with water using a ratio of 1:5 and apply to area to be stripped from old waxes. Leave in contact with surface for approximately 10 minutes before scrubbing surface manually or using a mono brush with a felt pad or soft bristle pad removing all residues.</p> <p>Degreasing: Dilute product with water using a ratio of 1:10 and apply to area to be cleaned. Leave in contact with surface for approximately 4/5 minutes before scrubbing surface manually or using a mono brush with a felt pad or soft bristle pad removing all residues.</p>		
Dilutions :	Deep Cleaning: 1part with 20 parts of water (200 m2)	Stripping: 1part with 5 parts of water (20m2)	Degreasing: 1part with 5/10 parts of water (30m2)
